<b>NDCn</b> ~ Wide dual coil style humbucker with Alnico V pole pieces. Standard wind or hot. Neck or bridge.	\$103			
<b>NMT Set</b> ~ Telecaster® replacement set. Overwound for more output.	\$205			
<b>NVT Set</b> ~ Telecaster® replacement set. Vintage style with Alnico V magnets and 43 enamel wire.	\$205			
<b>NMT Single</b> ~ Telecaster® replacement pickup - neck or bridge.	\$103			
<b>NVT Single</b> ~ Telecaster® replacement pickup - neck or bridge.	\$103			
<b>NP9.0</b> - A P90 style pickup. Available as dog-ear or soapbar shape with black covers.	\$103			
<b>NP9.0 Set</b> - The neck is underwound a bit to match the bridge in output to create a balanced set.	\$205			
<b>AL-Sat</b> ~ This is a replacement for the G&L ASAT® Special guitars. This big single coil will provide a more vintage tone to those missing it in their ASAT® Specials.	\$90			

<b>Bass Pickups</b>				
<b>NJ4SE Set</b> – A split hum canceling version of the J style pickup that will deliver a very punchy and growly tone with absolutely no 60 cycle hum. It's a very modern take on a very vintage tone.	\$285			
<b>NJ4SE Single</b> – neck or bridge	\$143			
<b>NJ4SV Set</b> – A split hum canceling version of the J style pickup. This version is intended to duplicate as close as possible the sound of the NJ4 single coils.	\$285			
<b>NJ4SV Single</b> – neck or bridge	\$143			
<b>NJ4 Set</b> – A vintage style single coil pickup made with 60's era correct formvar wire and Alnico V magnets. These pickups have a very even and full sound with that snap and grind associated with the great basses of that time.	\$195			
<b>NJ4 Single</b> – neck or bridge	\$99			
<b>NP4</b> – A faithful reproduction of one of the most famous pickups in the world. It will give a very big and full tone with the slightly hollow grind that the original's are known for.	\$145			
<b>NP5</b> – A 5 string version of our fiercely popular NP4 with all the same tonal characteristics. It will fit in the same rout as the NP4.	\$155			
<b>NPJ4 Set</b> – A set of one NP4 (neck) and one NJ4 (bridge).	\$250			
<b>NPJ4SV</b> – A set of one NP4 (neck) and one NJ4SV (bridge).	\$299			
<b>NPJ4SE</b> – A set of one NP4 (neck) and one NJ4SE (bridge).	\$299			
<b>MM4.2</b> – A four string reproduction of the best sounding Music Man® pickup with Alnico V magnets for a true fat warm sound.	\$135			
<b>MM4.3</b> – This is a three coil pickup designed to drop into a Sterling® or other 3 way switched installation. It has a dummy coil on the bottom for silent single coil mode.	\$175			
<b>MM4.4</b> – This is a quad coil pickup designed to allow a silent single coil switched operation for either the front or rear coil. It can also run parallel or series, depending on taste.	\$155			
<b>MM5.2</b> – A five string reproduction of the best sounding Music Man® pickup with Alnico V magnets for a true fat warm sound.	\$143			
<b>MM5.3</b> – This is a three coil pickup designed to drop into a 3 way switched installation. It has a dummy coil on the bottom for silent single coil mode.	\$185			

<b>MM5.4</b> – This is a quad coil pickup designed to allow a silent single coil switched operation for either the front or rear coil. It can also run parallel or series, depending on taste.	\$175			
<b>NJ5F</b> – Fender Jazz 5® replacement pickups. They will fit into your existing covers and make your 5 string Fender® come to life. <u>These also fit Lakland Joe Osborn 5.</u>	\$225			
<b>NJ5F Single</b> – neck or bridge	\$113			
<b>NJ5S Set</b> – These are split hum canceling pickups for silent operation.	\$299			
<b>NJ5S Single</b> – neck or bridge	\$150			
<b>NJ5FS</b> – Fender Jazz 5® replacement pickups. These are split humcanceling for silent operation.	\$299			
<b>NJ5FS Single</b> – neck or bridge	\$150			
<b>NJ5</b> – Five string J style single coil pickups in the same style as the NJ4. Featuring Alnico V magnets and the same winding pattern as the four, these are very full and fat sounding with plenty of growl and bark.	\$235			
<b>NJ5 Single</b> – neck or bridge	\$119			
<b>NJ6</b> – Six string J style single coil pickups based on the design of our most popular pickups, the NJ4. Features the same Alnico V magnets and winding, they deliver the same beautiful tone. <b>Not available with covers.</b>	\$285			
<b>NJ6 Single</b> – neck or bridge <b>Not available with covers.</b>	\$145			
<b>Fat Stack 4 Set</b> ~ Stacked hum canceling soapbar pickup. 1.25” x 3.95” Exposed poles in plastic covers. Designed for 19mm string spacing.	\$256

<b>Big Split 6 Single</b> - neck or bridge	\$185			

**Notes about Nordstrand Pickups:**

- All pickup designs currently use Alnico V magnets.
- Where possible a simulated hand winding pattern is used for consistent sound quality set to set.
- Highest quality MWS wire is used on all pickups.

Nordstrand Pickups are warranted from the date of purchase for 5 years to the original purchaser. They are guaranteed to be free from defective materials and workmanship. All returns must be authorized by Nordstrand Pickups and be accompanied by a return authorization number issued by Nordstrand Pickups. Return shipping charges to the Nordstrand Pickups factory are the responsibility of the customer.

Strat®, Telecaster®, and Fender Jazz®, are registered trademarks of Fender Musical Instrument Company. Music Man® is a registered trademark of Ernie Ball Inc. Nordstrand Pickups is not associated with either of these companies.
